## To A Historian.

You who celebrated bygones!  
Who have explored the outward, the surfaces of the races  
—the life that has exhibited itself;  
Who have treated of man as the creature of politics,  
aggregates, rulers and priests;  
I, habitan of the Alleghanies, treating of him as he is  
in himself, in his own rights,  
Pressing the pulse of the life that has seldom exhibited (the  
great pride of man in himself;)  
Chanter of Personality, outlining what is yet to be,  
I project the history of the future.

Walt Whitman.
